A high school teacher was giving a true/false test. He was strolling up and down the aisles surveying the students at work. He came upon one student who was flipping a coin, then writing.

Teacher: What are you doing?

Student: Getting the answers to the test. The teacher shook his head and walked on. A little while later, when everyone was finished with the test, the teacher noticed the student was again flipping the coin.

Teacher: Now what are you doing?

Student: I'm checking the answers.

I pray that Christ will live in your hearts because of your faith. I pray that your life will be strong in love and be built on love. And I pray that you and all God's holy people will have the power to understand the greatness of Christ's love..." Ephesians 3:16-18
